## Guide for Volunteers and Teachers

This guide can be used for both in-person and virtual learning. The digital guide is designed to work on a second screen like a tablet or smartphone to reserve the computer for the onscreen presentation. However, you can use the guide just as easily on the same primary computer by opening multiple browser tabs.

Please note that the QR code is for convenience only; simply scan the code with your device's camera to open the guide. Or, you can use the following URL.
